Based on quotes received, for a minimum of 30 persons, cost will be approx €380, per person, 2 people sharing and €478 for a single room. The coach can take 44 persons; we have found, on previous trips that it is quite pleasant to have a few spare seats so we can spread out if we want. Cost will come down a bit for each person over 30, as the transport costs are spread a bit further.
